

SMOOTH MATT

Specially formulated to meet economical needs. Its smooth matt finish hides surface imperfections and avoids reflection of uneven plastered surfaces.

- Good adhesion property
- Good hiding power
- Easy to apply
- Formaldehyde free
- No added lead or mercury
- Low VOC and odour
- Malaysian Standard - MS 903:1984

RECOMMENDED PAINT SYSTEM

- *Newly plastered surfaces : Interior Walls & Ceilings*

- *Repainting : Interior Walls & Ceilings*

NB : KANSAI Basecoat Sealer and PAR Plasterseal work best on surfaces with a moisture content of below 15% and alkalinity below pH-9, otherwise premature paint failure may occur.

- Fast dry
- Good adhesion property
- Good hiding power
- Fungus and algae growth resistance
- No added lead or mercury
- Low VOC and odour

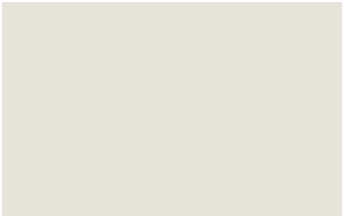

RECOMMENDED PAINT SYSTEM

- *New, unpainted surfaces : Interior Walls & Ceilings*

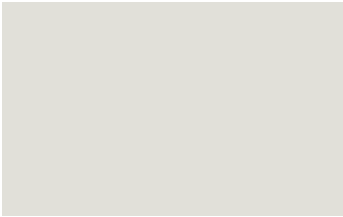

- *Repainting : Interior Walls & Ceilings*
